

Mary Jane Lee Playground, Salem

RATING: ★ ★

Located in the Point Neighborhood, Mary Jane Lee Playground is a community project showing neighborhood pride. Located in the shade of gorgeous trees, the large modular structure is in fairly good condition. It unfortunately suffers from vandalism (knife slices, gouges, etc) and graffiti. There are also bits of trash strewn about, including a fair amount of broken glass within the sand. This is what is hurting this playground's rating.

Picnic tables and trash cans abound here, and most of the tables are in the shade. The blacktop next to the playground is great for shooting hoops, scootering or playing a game of kickball.

LOCATION: *On the corners of Prince St. and Palmer St. which is off Lafayette St. (Rt. 114/1A).*
